

SPRING 2020 | COLLECTION GUIDE

BRENTANO™

TRAVELER COLLECTION

2020 Spring Collection Overview

Drawing inspiration from our team's world travels, the Spring 2020 introduction from Brentano embodies the emboldened spirit of distant lands and the sense of adventure they evoke. Echoing Founder and Design Director, Iris Wang's love for exploration, the 15 new introductions from the Traveler Collection are each informed by our design team's interactions with talented artisans from across the globe. These erudite woven wonders feature a combination of unique and arresting designs, adding to Brentano's renowned collection of fabrics, while continuing to highlight Brentano's commitment to Beauty + Performance.

Showcasing the talents of Brentano's creative young designers, the Traveler Collection features whimsical draperies, sumptuous, inspired pattern work and fundamental textures for everyday use. The intricate designs and jewel-toned palette creates an intimate, color focused journey, reflective of our interactions and experiences with some of the most storied and enchanting places from around the world.

"The complex constructions and elaborate patterns in the Traveler Collection pull their inspiration from some of the finest craftspeople from around the world; delving into the unknown by exploring the creative boundaries of design and production. These amazing textiles are then brought to fruition in partnership with the global sources, whose talents and capabilities I admire most." Founder and Design Director, Iris Wang.

With an abundance of bold colors including Brentano's first ever exploration of Neon, the Spring 2020 collection launch offers an expansive palette for commercial, hospitality and residential projects. "The Traveler Collection is a journey of collective artifacts that are now a part of Brentano's 30-year history. I can think of no better way to celebrate where we have come from than to celebrate the places that have been my muses for much of my career."

Traveler Collection - Talking Points

- Standout patterns (Dorado and Olympia) designed in-house
- Two new Studio Program fabrics (Petra and Jordan)
- Brentano's first ever Neon (Machu), paired with Neon Embroidery (Picchu)
- Three new elegant drapery options (Niagara, Giza, Bablyon)
- Chatoyance and Element are back and better than ever featuring bold new colors

Traveler Collection Promotional Marketing Materials Included

- Collection Brochure
- Collection Postcards, 1 Set (New! Per recommendations through our Rep survey, the postcards now feature an open back, allowing you to leave personalized messages to your clients)
- Traveler Installation Shots
- Brentano Sell Sheets (Continuing Education Offerings, Finishes and Backings, Made in the USA, Studio Program)
- Pattern Full Repeats (Available by request through the Marketing Department, Laura Dzugan at ldzugan@brentanofabrics.com)

2326 Olympia

Bold, intricate and sophisticated, the sinuous lines of Olympia are contained by the larger-scale honeycomb pattern that defines this unique in-house design. Arresting from a distance, entrancing up-close, this 55" width fabric is not only stunning but also strong and durable, with an abrasion resistance of 100,000 double rubs (Wyzenbeek, Cotton Duck) and Brentano's cross linked, Tri-sistant finish. Warm and rich, Olympia's 7 colorways create a charismatic focal point in any interior space.

Fabric Information and Technical Specifications

Width: 55" [140 cm]

Contents: 72% Cotton, 28% Nylon

Finish: Tri-sistant

Repeat: Approx. V 17" - H 14-1/8" (V 43.18 cm - H 35.88 cm)

Wear Test: 100,000 Double Rubs (Wyzenbeek, Cotton Duck)

Flammability: Passes California Bulletin 117: 2013, UFAC Class 1, NFPA 260 Class 1

Lightfastness: 40 Hours Class 4 (AATCC 16)

Piling: Class 3.5 (ASTM D3511)

Croaking: Dry 4.5 Wet: 4.5 (AATCC 116-2013)

Seam Slippage: Warp 65.3 lb Fill: 91.8 lb (ASTM D4034)

Breaking Strength: Warp: 265 lb Fill: 136 lb ASTM D 5034 (Grab)

Cleaning Code: W/S (Water/Solvent)

Application: Upholstery

Fabric Weight (L/Y): 14 oz

6313 Chatoyance

Capturing the movement of light across water, this iconic Brentano pattern is perfectly suited to the most sumptuous interiors. The ever popular Chatoyance is now available in 3 new colors for a total of 7 stunning choices. Chatoyance undergoes an innovative, wet process where it's gathered and sprayed with a random, yet unique, repeatable, pattern of dyes creating the dramatic, fluid shifts of its marbled colors. Produced as an extremely fine 54" wide cotton velvet, Chatoyance has an impressive abrasion resistance of 50,000 double rubs (Wyzenbeek, Cotton Duck).

Fabric Information and Technical Specifications

Width: 54" [137cm]

Contents: Pile: 100% Cotton; Overall: 100% Cotton

Repeat: Random, no repeat

Wear Test: 50,000 Double Rubs (Wyzenbeek, Cotton Duck)

Flammability: Can be used with a barrier cloth in order to pass Cal 117:2013 Sec 2 in California, UFAC Class 1, NFPA 260 Class 1

Lightfastness: 40 Hours Class 3.5 (AATCC 16)

Crocking: Dry: 4.5 Wet: 3.5 (AATCC 116-2013)

Breaking Strength: Warp: 42 lb Fill: 86 lb ASTM D 5034 (Grab)

Cleaning Code: S (Solvent)

Application: Upholstery, Residential Drapery

Fabric Weight (L/Y): 20 oz

Special Note: Uses random dyeing process

07 Emerald

8302 Thebes

Capturing the feel of this famed Grecian city, Thebes embodies a tapestry of ribboning hues peeking through the fractured remains of weathered walls. Blending multi-colored yarns to spin a charming, but refined fabric, Thebes is available in 7 attractive, muted colorways, including dusty blues, cloudy grays and rich, natural greens. This 54" width upholstery fabric is further enhanced by its abrasion resistance of 50,000 double rubs (Wyzenbeek, Cotton Duck) and can also be treated with Brentano's Tri-sistant stain resistant finish, which extends its appeal for use in hospitality and commercial projects.

Fabric Information and Technical Specifications

Width: 54" [137 cm]

Contents: 44% Cotton, 36% Viscose, 20% Linen

Finish: Option: Tri-sistant can be applied

Repeat: Approx. V 29" - H 27" (V 73.66 cm - 68.58 cm)

Wear Test: 50,000 Double Rubs (Wyzenbeek, Cotton Duck)

Flammability: Passes California Bulletin 117: 2013, UFAC Class 1, NFPA 260 Class 1

Lightfastness: 40 Hours Class 5 (AATCC 16)

Piling: Class 2.0 (ASTM D3511)

8139 Hanoi

Expanding our ever-growing eco-friendly and bleach cleanable collection of fabrics, Hanoi captures the natural, tactile appeal of hand-made multi-colored rice paper. Artful and storied, this 54" width abstract textile, created from post-consumer and post-industrial recycled yarns, is environmentally conscious and, when applied to eligible furniture items, can contribute to LEED certification. Featuring 8 neutral and scenic colorways such as Golden Harvest, After Rain and Lake, Hanoi is handsome and resilient, with a 100,000 Double Rubs (Wyzenbeek, Cotton Duck), Tri-sistant finish and an Acrylic backing.

Fabric Information and Technical Specifications

Width: 54" [137cm]

Contents: 42% PC Recycled Polyester, 33% Polyester, 25% PI Recycled Polyester

Finish: Tri-sistant and Acrylic Backing

Repeat: Approx. V 12-3/8" - H 14" (V 31.43cm - H 35.56cm)

Wear Test: 100,000 Double Rubs (Wyzenbeek, Cotton Duck)

Flammability: Passes California Bulletin 117:2013, UFAC Class 1, NFPA 260 Class 1

9216 Flanders

A classic wool blend with an updated, yet understated check pattern, Flanders is perfectly suited to well-tailored upholstery. Its 4 dapper colorways including Flax, Storm and Slate Blue are complimented by its soft and inviting hand. At a 60" width, and with an abrasion resistance of 30,000 double rubs (Wyzenbeek, Cotton Duck), Flanders would make an excellent choice for erudite residential interiors and luxurious hospitality environments. This fabric is also eligible for Brentano's Tri-sistant finish, with applications that call for stain resistance.

Fabric Information and Technical Specifications

Width: 60" [152 cm]

Contents: 44% Wool, 17% Polyester, 14% Virgin Wool, 14% Acrylic, 11% Nylon

Finish: Option: Tri-sistant can be applied

Wear Test: 30,000 Double Rubs (Wyzenbeek, Cotton Duck)

Flammability: Passes California Bulletin 117: 2013, UFAC Class 1, NFPA 260 Class 1

Lightfastness: 40 Hours Class 4.5 (AATCC 16)

Piling: Class 2.0 (ASTM D3511)

Crocking: Dry 4.5 Wet: 4.5 (AATCC 116-2013)

04 Slate Blue

4079 Giza

Flowing, contemporary, chic and understated, Giza is a double-width (126") FR drapery that captures the subtle, sandy tones of the Egyptian desert. Available in 3 soothing colorways, Arctic White, Golden Harvest, and White Rhino, this 100% Trevira CS Polyester brings a relaxed, but tailored, aesthetic to both indoor and outdoor projects. Giza passes NFPA 701, BS 5867 Type B and has an outstanding abrasion score exceeding 75,000 double rubs (Wyzenbeek, Cotton Duck), which also makes it a smart choice for upholstery projects. Being bacterial resistant and bleach cleanable means there are no limits to its potential applications.

Fabric Information and Technical Specifications

Width: 126" [320 cm]

Contents: 100% Trevira CS Polyester

Wear Test: Over 75,000 Double Rubs
(Wyzenbeek, Cotton Duck)

Flammability: Passes California Bulletin 117:2013, UFAC Class 1, NFPA 260 Class 1, NFPA 701 Test 1, BS 5867-2: Type B

Lightfastness: 600 Hours Class 4 (AATCC 16)

02 Golden Harvest

03 White Rhino

4591 Dorado

Lustrous metallic hues are emphasized by the textural, light to dark gradients of Dorado. The luminous contrast of entwining yarns of varying depth almost evoke the hidden routes traveled by explorers looking for the fabled lost city. The 54" width dimensional, layered effect of Dorado's 8 jewel and neutral toned colorways are only elevated by its superior durability of 100,000 double rubs (Wyzenbeek, Cotton Duck). Brentano's Tri-sistant finish and an Acrylic backing. Ornate, sumptuous and artistic, Dorado would make a beautiful addition to any room.

Fabric Information and Technical Specifications

Width: 54" [137 cm]

Contents: 31% Rayon, 24% Cotton, 23% Solution-Dyed Nylon, 22% Post-Consumer Recycled Polyester

4344 Petra

Featuring a light patination reminiscent of the weathered ruins of its ancient namesake, Petra is a new addition to the Brentano Studio Program. The sister fabric to Jordan, this 56" width upholstery fabric offers impressive wear resistance, at 100,000 Double Rubs (Wyzenbeek, Cotton Duck), and an easy-clean finish with Brentano's cross-linked Tri-sistant finish. Available in 11 colorways including Mercury Glass, Tide Pool and Blue Iguana, Petra's lively and versatile palette is ideal for large projects seeking luxury at an affordable cost, while still maintaining Brentano's ethos of Beauty + Performance.

Fabric Information and Technical Specifications

4345 Jordan

A warm and textural future classic, Jordan captures the beautifully weathered tones of one of the world's most storied locales. A welcome addition to the Brentano Studio Program, it pulls inspiration from Jordan's earthy hued slopes, rolling meadows and celestial sunsets. Sister fabric to Petra, Jordan features an intricate weave of light and dark yarns elaborately woven together creating a subtle, yet stunning color variation. This 56" width textile comes in 14 attractive colorways, all with a Tri-sistant finish and an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck). Jordan's smart, yet casual appeal makes it suitable for hospitality and residential projects alike.

3708 Babylon

Capturing the alluring beauty of its renowned namesake gardens, Babylon is a lustrous, opulent, yet thoroughly modern taffeta. Suitable for both drapery and upholstery, Babylon's 12 contemporary and refined colorways incorporate warm, muted neutrals and luxurious gem-like hues. This 53" width fabric has an abrasion resistance of 100,000 double rubs (Wyzenbeek, Cotton Duck), and, being made of 100% FR polyester, it passes NFPA 701 Test 1, BS 5867 Type B and BS 5852 Ignition sources 0 & 1. Timeless and elegant, Babylon is truly exquisite and can also have our Tri-sistant stain-resistant added, making it as practical as it is beautiful.

1228 Himalaya

Supple, strong and handsome, the enormously versatile Himalaya is suitable for both indoor and outdoor use. Like its sister fabrics Andes and Pyrenees, Himalaya is a phenomenal anchor fabric suitable at home by the pool or in a high-use, high-end interior. Its 6 colorways embrace a useable, refreshing palette grounded in soft greys and muted blues. This 54" width, IMO Wheelmark Certified fabric is made up of Solution-Dyed FR Polypropylene and FR Polyester, with an abrasion resistance of 75,000 double rubs (Wyzenbeek, Wire Screen) and it is bacterial resistant. For those requiring greater stain resistance, Brentano's Tri-sistant finish can also be applied under our cut yardage finish program.

Fabric Information and Technical Specifications

Width: 54" [137cm]

Contents: 87% Solution-Dyed FR Polypropylene, 13% FR Polyester

Finish: Option: Tri-sistant can be applied

Repeat: Approx. V 1/4" - H 1/2" (V 0.64cm - H 1.27cm)

1200 Element

Beautiful in its simplicity, this indoor/outdoor upholstery and panel fabric is now made even more appealing with the addition of 8 fresh new colorways, bringing Element up to 18 colorways in total. Approachable and perennially popular, Element continues to offer a wonderful hand and understated style that makes it suitable for almost any project, whether it be home, hospitality or healthcare. Extremely durable, with an abrasion score exceeding 70,000 double rubs (Wyzenbeek, Cotton Duck), Element is made of 100% Solution-Dyed FR Polypropylene. This 54" width, bleach cleanable and bacterial resistant fabric has no problem passing fire codes and even offers an IMO Wheelmark certification. For those requiring greater stain resistance, Brentano's Tri-sistant finish can also be applied under our cut yardage finish program.

1206 Andes

The understated flecks of color in Andes are reminiscent of the variegated terrain of the famous South American mountain range. Like its sister fabrics, Himalaya and Pyrenees, this subtly textured fabric is ideal for both indoor/outdoor upholstery and panel applications and its 9 colorways range from alpine neutrals to deep, coastal blues. The 54" wide, Andes is made from 100% Solution-Dyed FR Polypropylene, passes all fire codes and is IMO Wheelmark certified. With outstanding durability at 100,000 double rubs (Wyzenbeek, Wire Screen), this fabric is also bleach cleanable and bacterial resistant. Andes is an inviting option for everything from beach cabanas to snowy mountain resorts. For those requiring greater stain resistance, Brentano's Tri-sistant finish can also be applied under our cut yardage finish program.

1330 Machu

Energetic and vibrant, Machu proudly shines as Brentano's first foray into neon! This fun and reversible, fresh 58" width fabric successfully takes on a resurging trend, and makes it completely applicable to today's interiors. Machu comes in 4 fully saturated colorways, neon pink, orange, yellow, and green and pairs wonderfully with sister fabric, Picchu. This vivacious felt passes 85,000 double rubs (Wyzenbeek, Cotton Duck), ensuring it's an electric, eclectic addition to any confidently designed space.

3610 Picchu

Bold, graphic and original, Picchu is the perfect partner for Machu. The 56" wide, dark grey felted background is patterned with a peppy 52" wide embroidered neon pattern that mirrors the palette found in Machu. With an abrasion score exceeding 75,000 double rubs for its embroidery and 100,000 double rubs (both Wyzenbeek, Cotton Duck) for its durable base cloth, Picchu makes a cool addition to any lively avant-garde interior. For those requiring greater stain resistance, Brentano's Tri-sistant finish can also be applied under our cut yardage finish program. Custom color embroidery is available through our custom projects department.
