

BRENTANO™

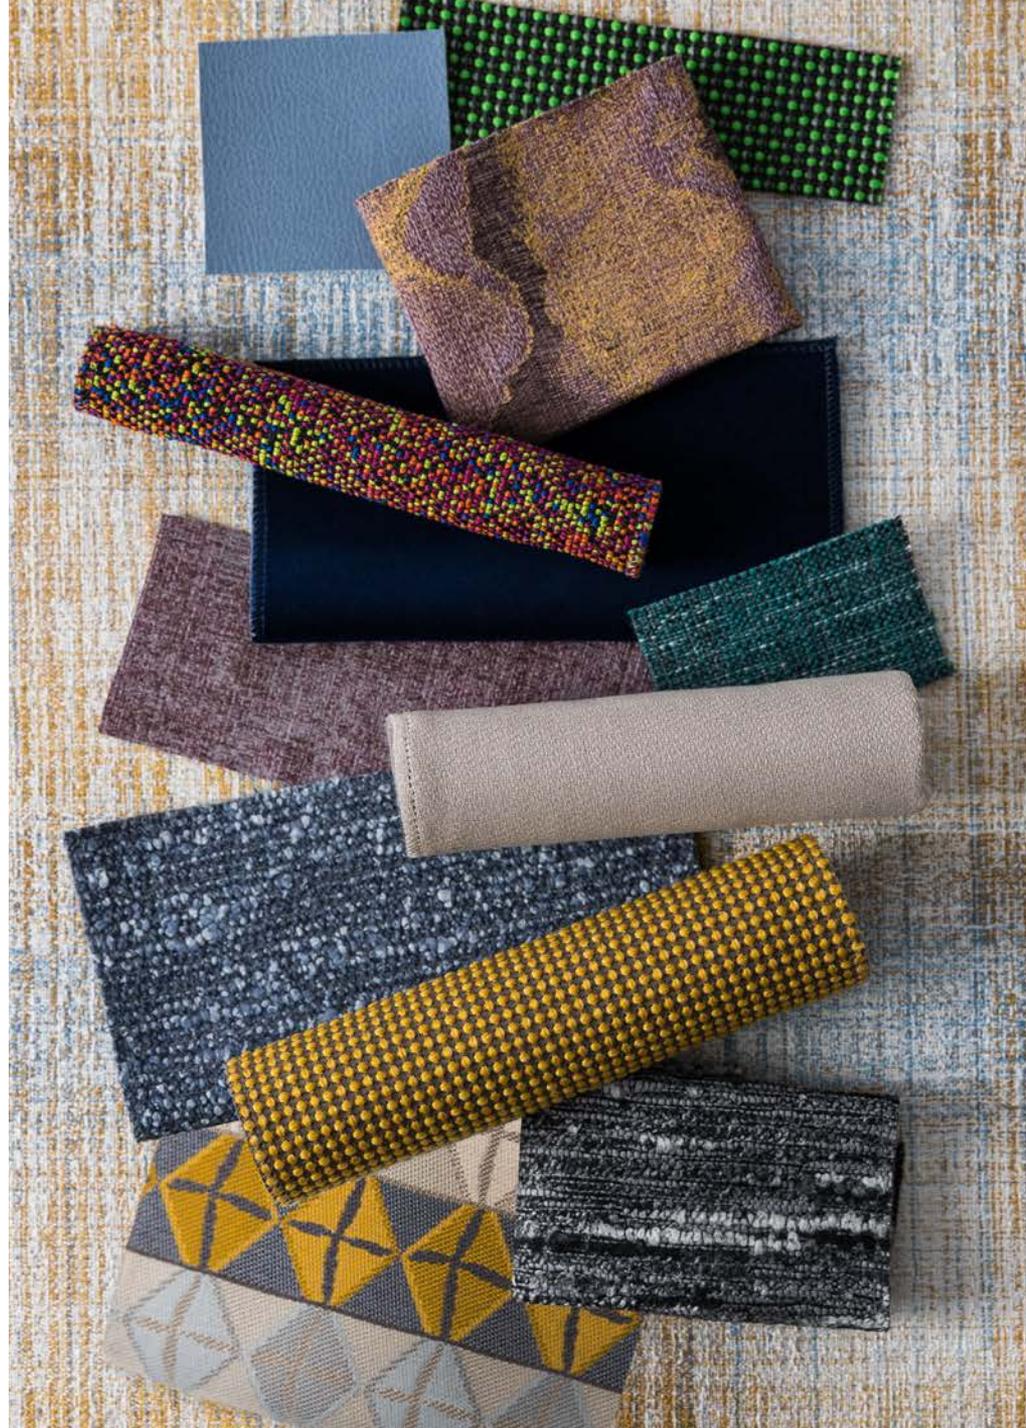

ALCHEMY COLLECTION

TEXTILES + WALLCOVERINGS

Grounded in the seemingly magical process of transforming elements into something new, Alchemy is a magnificent collection of awe-inspiring textiles. Influenced by nature and our ever-diverse and changing environment, the Brentano Design Studio meticulously curated the Alchemy Collection's thirteen versatile fabrics to be both physically and texturally stunning. By refining and emphasizing the beauty that lies within the details, the Fall 2021 collection accentuates organic patterns using mixed yarns, space-dyed yarns, and bouclés to create natural and alluring designs.

ASTRAL

Astral is a large-scale, impressionist-mannered plaid. The ombre warp and weft softens the pattern and creates a naturalistic, weathered appearance. This 53" width indoor/outdoor, bacterial resistant fabric is made from 65% Recycled Polyester and is bleach cleanable. With a soft hand and an abrasion rate of 100,000 double rubs, Astral is great for both living room sofas or chairs in public spaces. Brentano's Tri-sistant finish can be applied for added cleanability under our cut-yardage finishing program.

Contents:

65% High Energy-Dyed Post-Consumer Recycled Polyester, 35% High Energy-Dyed Polyester

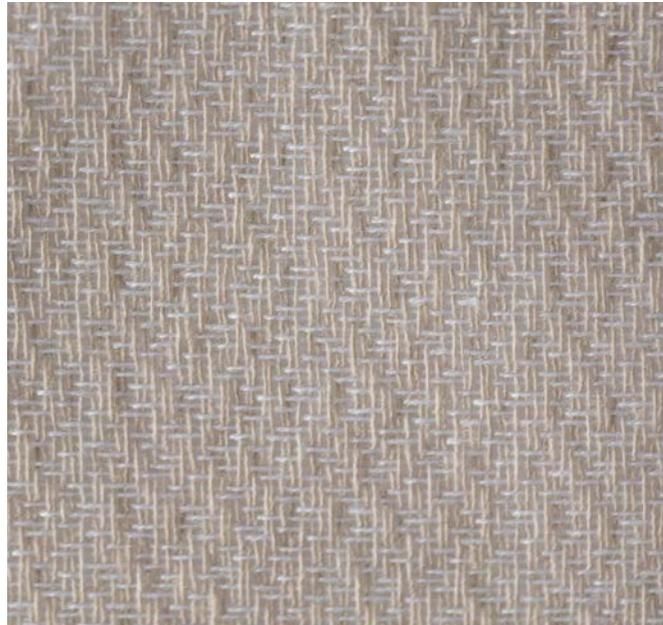

4589-05 ASTRAL USSURI BAY

CLAIRVOYANT

Delicate, gentle, classic, and restrained, Clairvoyant is a double-width (130") FR drapery. Available in 3 tranquil colorways, Paper White, Champagne, and Silverfox, Clairvoyant brings a relaxed but tailored aesthetic to design spaces. Clairvoyant passes NFPA 701, IMO 2010 FTP Code Part 7 Drapery, and BS 5867 Type B. Elegant and graceful, Clairvoyant offers a luxurious look for drapery applications.

CLOAK

Exuding comfort, Cloak's bold and striking tone-on-tone striations are the perfect pair for modern living spaces. This ambitious fabric has an irresistibly soft hand with layers of depth throughout its organic pattern. Aesthetically beautiful with a chic texture, this 54" width fabric is truly exquisite, passes 6,000 double, and has an optional addition of Brentano's Tri-sistant finish for stain-resistant needs. Cloak is a beautiful addition to residential settings. Cloak can pass BS 5852: 0 & 1 with a barrier cloth.

Contents:

45% Cotton, 31% Wool, 17% Acrylic,
7% Polyester

2125 CLOAK ASH, PANDA AND INKWELL

ELIXIR

With a beautiful hand and chunky bouclé texture, Elixir is a charming and organic textile with varying depths. In 7 riveting and harmonious colorways like calming Teal Creek and radiant Volcano, Elixir passes 100,000 Double Rubs and passes Cal 117. Elixir can be treated with Brentano's stain-resistant finish, Tri-sistant for additional stain resistance under our cut-yardage program. Perfect for a wide variety of residential and contract applications, including sofas, pillows, and chairs, this 54" width upholstery fabric is a relaxed and sophisticated choice for modern interiors.

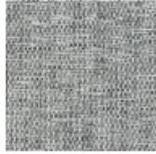

Contents:

48% Acrylic, 30% Polyester, 12% Cotton,
10% Viscose

FERRUM

Ferrum is a lively and refreshing fabric with added movement created by a black and white yarn running through the weft that fashions unique textural elements. This 54" width upholstery fabric comes in 9 attractive colorways, an abrasion resistance of 100,000 Double Rubs, is bleach cleanable and features Brentano's cross-linked stain-resistant finish, Tri-sistant. The beautiful striations throughout the fabric, coupled with its great durability, make it ideal for high traffic upholstery applications.

Contents:

70% Polyester, 25% Acrylic, 5% Linen

Tri-sistant is Brentano's cross-linked brand of stain resistant treatment. It's a permanent stain finish similar in technology to other aggressive treatments on the market such as Nano-Tex or Alta. It offers equal/comparable protection against stains as Nano-tex/Alta/Crypton as well.

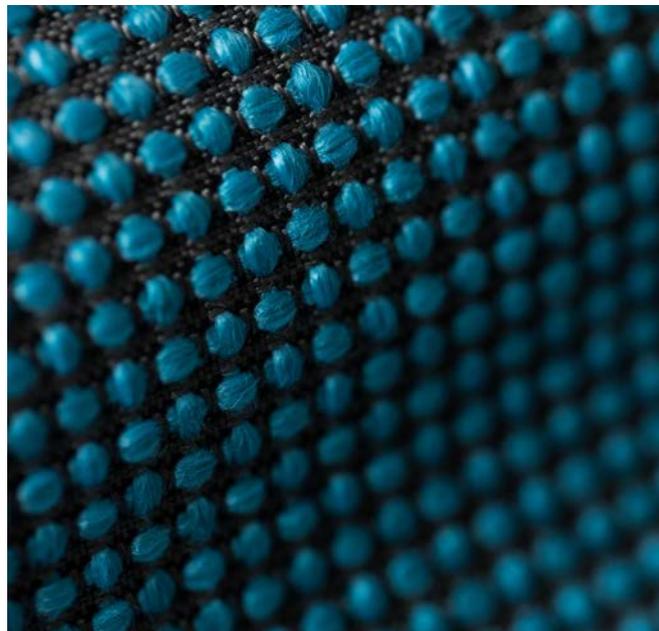

LUNA

Drawing inspiration from raised, ornate door rivets during her travels overseas, Artistic Director Iris Wang set her sights on creating a 3-dimensional durable and robust design with textural depth. From this exploration, Luna came to be. A welcomed addition, Luna diverges from the bright and vibrant colors of sister fabric Sol, becoming a studied concentration of tone-on-tone color variations.

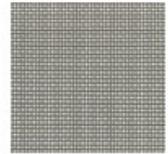

This 54" width fabric has an abrasion resistance of 100,000 Double Rubs, is bleach cleanable, IMO Wheelmark certified, and bacterial resistant. With 7 natural and relaxed colorways such as Carolina Blue and Whiskey, Luna is an impressive selection for indoor/outdoor applications seeking layered dimension and shadow with lasting durability.

Contents:

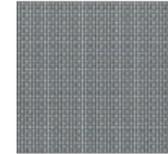

100% Solution-Dyed FR Polypropylene

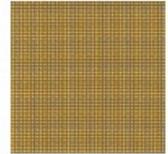

01 Sand Dollar

02 Silverfox

1248-04 LUNA WHISKEY AND 1248-07 LUNA MIDNIGHT

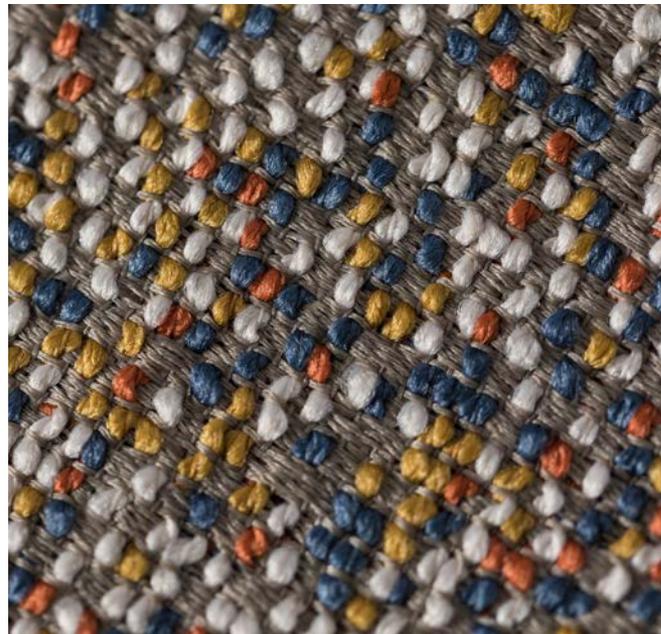

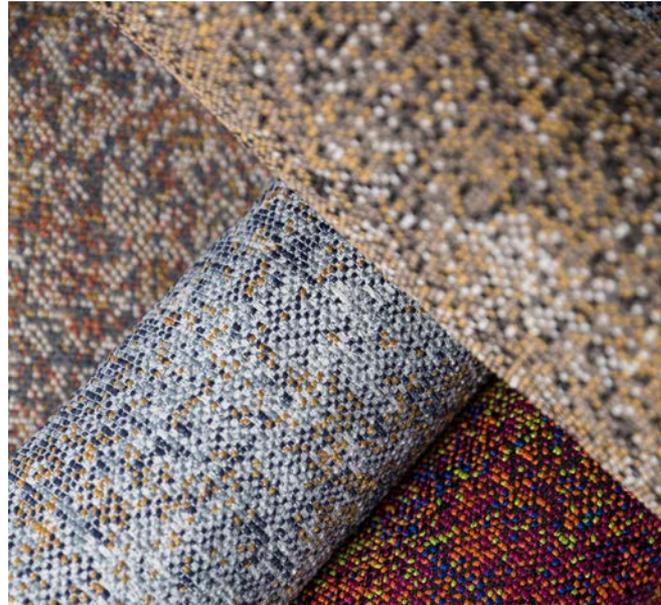

JINX

A modern take on cross-stitch embroidery, Jinx delves into the world of pointillism with its distinct pixelation of small dots creating a textural landscape throughout the textile.

Suitable for contemporary contract and hospitality applications, this 56" width fabric comes in 5 dappled colorways with varying color blends to create contrast and interest.

With an abrasion resistance of 100,000 double rubs (Wyzenbeek, Wire Screen), bleach cleanability and passing CAL 117, Jinx is eminently durable. Brentano's Tri-sistant finish can also be applied under our cut-yardage finish program for those requiring greater stain resistance.

3152-03 JINX DESERT BLOOM

MARVEL

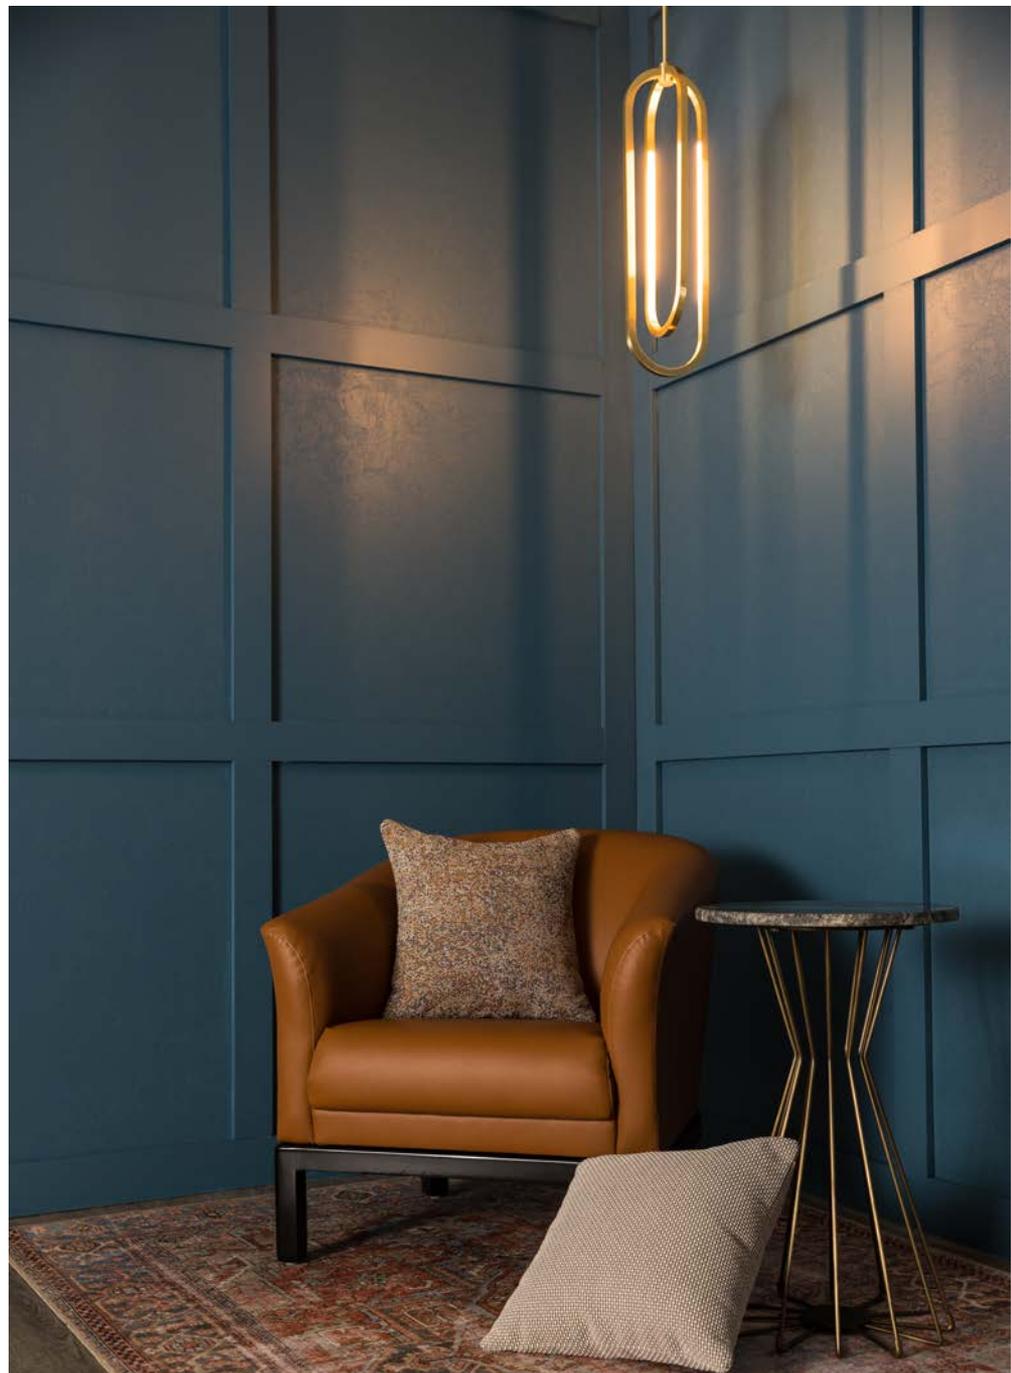

Soft and supple with a pebbled texture, Brentano's new silicone vegan leather Marvel goes hand and hand with our brand ethos of beauty + performance. Acceptable for outdoor use with 15 versatile colorways including Burnt Sienna and Malachite, this 54" width, two-toned silicone is the optimal choice for poolside lounges or beautiful beachside cabanas. Bleach cleanable and bacterial resistant, Marvel is further enhanced by an abrasion resistance of 100,000 double rubs and has a lightfastness rating of 4.5 at 1,000 hours ensuring it can withstand the elements and remain resilient and as beautiful as the day it was installed. In addition, Marvel is an environmentally conscientious fabric, easy to clean with a pliable hand, is softer than leather and is Ink Safe™.

Contents:

100% Silicone Face; Overall: 55% Polyester, 45% Silicone

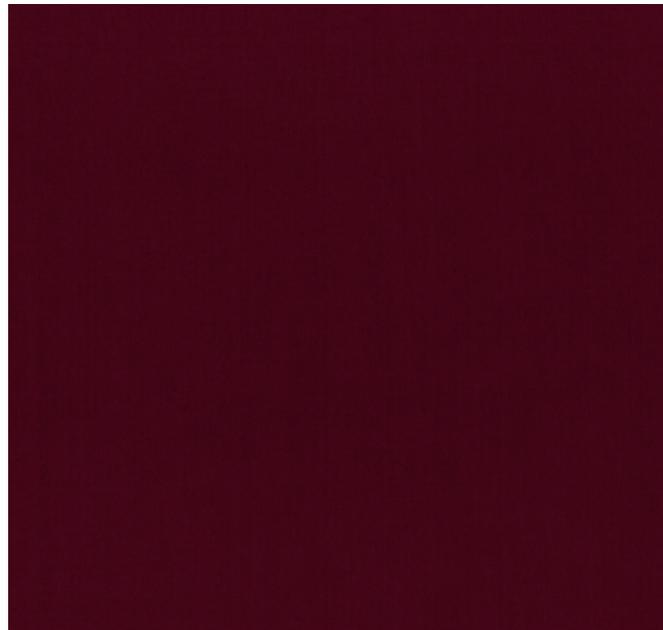

4244-07 MARVEL PECAN

ORACLE

Regal, luxurious, and rich, Oracle is Brentano's first-ever FR velvet drapery. Noticing a need in the design community, the Brentano Studio took inspiration from Brentano's long-standing and ever-popular velvet, Gem, to create another magnificent velvet offering, this time passing FR standards. With an abrasion resistance of 100,000 Double Rubs, Oracle passes all of the U.S.* upholstery, drapery, and panel standards, making it suitable for applications in contract, residential, and hospitality design spaces. This 54" width textile is attractive with an elegant sheen that can enhance and transform the drabest of interiors to the most sophisticated and chic spaces. *In addition to passing U.S. standards, Oracle passes IMO upholstery and most of the British standards for upholstery and drapery.

PIXIE

Classical elegance meets dazzling glamour with the welcomed addition of Pixie to the Alchemy Collection. This 54" width upholstery fabric is further enhanced by its majestic colorways and striking damask weave with varying depths of a shimmering twinkle throughout the fabric. In 9 colorways, from beautiful neutrals such as Ivory to bold additions like Orchid Haze, Pixie is an enchanting selection for stylish interiors for both upholstery and residential drapery applications.

Pixie has an abrasion resistance of 40,000 double rubs and passes Cal 117. Brentano's Tri-sistant finish can also be applied under our cut-yardage finish program.

Contents:

45% Cotton, 30% Linen, 25% Viscose

SOL

Playful and bold, Sol further continues Brentano's foray into the brilliant world of neons. Designed to withstand the elements, this 54" width indoor/outdoor upholstery fabric comes in 4 vibrant colorways making it a lively addition to spirited hospitality and contract design spaces. Bleach cleanable, IMO Wheelmark Certified, and bacterial resistant, this texturally dynamic fabric has an abrasion rate of 100,000 Double Rubs, further enhancing its distinct appeal. Should one neon pattern not be enough, Sol pairs seamlessly with the Traveler Collection's sister fabrics, Machu and Picchu.

SORCERESS

Sorceress brings undulating, rhythmic geometry to the Alchemy collection with its thoughtful consideration of color and design. A follow-up to Brentano's indoor/outdoor textiles, Pinnacle and Majalis, this large 18" vertical repeat draws inspiration from famous Romanian sculptor Constantin Brancusi's *Endless Column*.

Featuring seven versatile, multi-colored colorways, this 54" width upholstery pattern is woven from Solution-Dyed FR Polypropylene and High Energy-Dyed FR Polyester, an optimal selection for indoor/outdoor upholstery.

Sorceress has an abrasion resistance of 60,000+ Double Rubs, is bleach cleanable, IMO Wheelmark certified, bacterial resistant, and passes Cal 117.

Contents:

61% Solution Dyed FR Polypropylene,
39% High Energy-Dyed FR Polyester

1261-03 SORCERESS MAHI MAHI

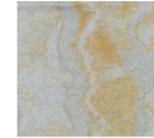

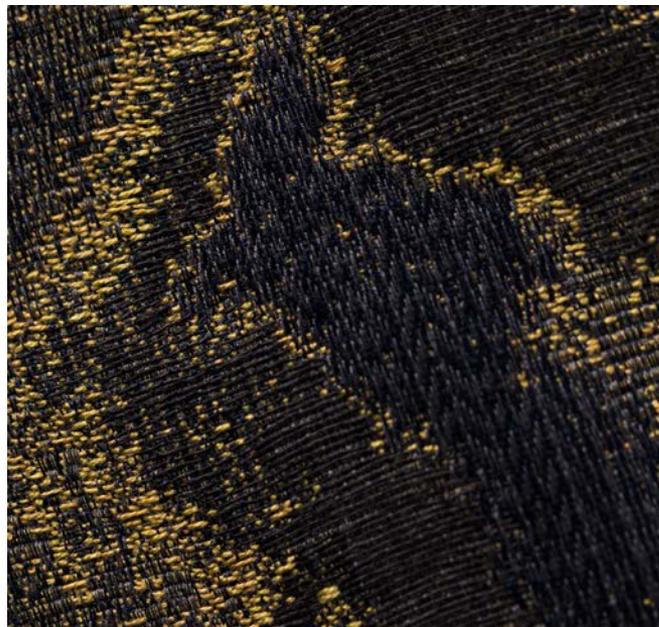

TITANIA

The protagonist in the room, Titania is the foundation for which the Alchemy Collection was born. Fittingly named after the Queen of the fairies, Titania is an alluring and dramatic textile with flowing lines mimicking an abstract painting. The movement of delicate strokes within this 54" width comprehensive fabric creates an organic, geographic map with a lavish overlay of colors. In 5 gilded colorways, including Winter Dawn and Magma, Titania is suitable for upholstery and residential drapery with an abrasion resistance of 30,000 Double

Rubs. Titania can also be treated with Brentano's Tri-sistant stain-resistant finish through Brentano's cut-yardage program, which extends its appeal for use in hospitality and commercial projects. Titania can be used with a barrier cloth in order to pass Cal 117:2013 Sec 2 in California.

Contents:

ANDROMEDA

A striking foundation for the inaugural release of Brentano's first foray into the world of wallcoverings, Andromeda paves the way with exceptional and bold design. A Phthalate-Free, Type II Vinyl remake of its stunning textile sister, Olympia, Andromeda sets the tone with its mysterious and illustrious nature.

Meticulously crafted using Mylar throughout, this decadent wallcovering provides a constant flow of movement when shadow and light dance across its 8 lavish colorways. An optimal choice for upscale cocktail lounges with sophisticated colorways such as Boysenberry and Black Cobra, or classic angelic rooms with colorways like Gold Leaf, Andromeda is a luxurious and magnificent selection.

Contents:

Face: 98% Non-Phthalate Vinyl, 2% Metalized Polyester; Overall: 83% Vinyl, 12% Cellulose, 3% Polyester, 2% Metalized Polyester

V102 ANDROMEDA BOYSENBERRY AND BLACK COBRA

CELESTE

A Brentano Design Studio original, Celeste gracefully captures movement and light. Mimicking shadows as they delicately land on the surfaces around us, this Phthalate-Free, Type II Vinyl exudes beauty. Soft, muted tones create a sense of movement throughout the large-scale design with subtle color transitions using light and dark gradients. With 5 ethereal colorways like Weathered Oak and Crystal Springs, Celeste's understated splendor is a beautiful addition to children's rooms, medical offices, or sunlit reading rooms. Featuring an eco-friendly backing made from 85% post-consumer recycled material, this dreamy wallcovering simulates the feeling of canvas.

Contents:

CHATEAU

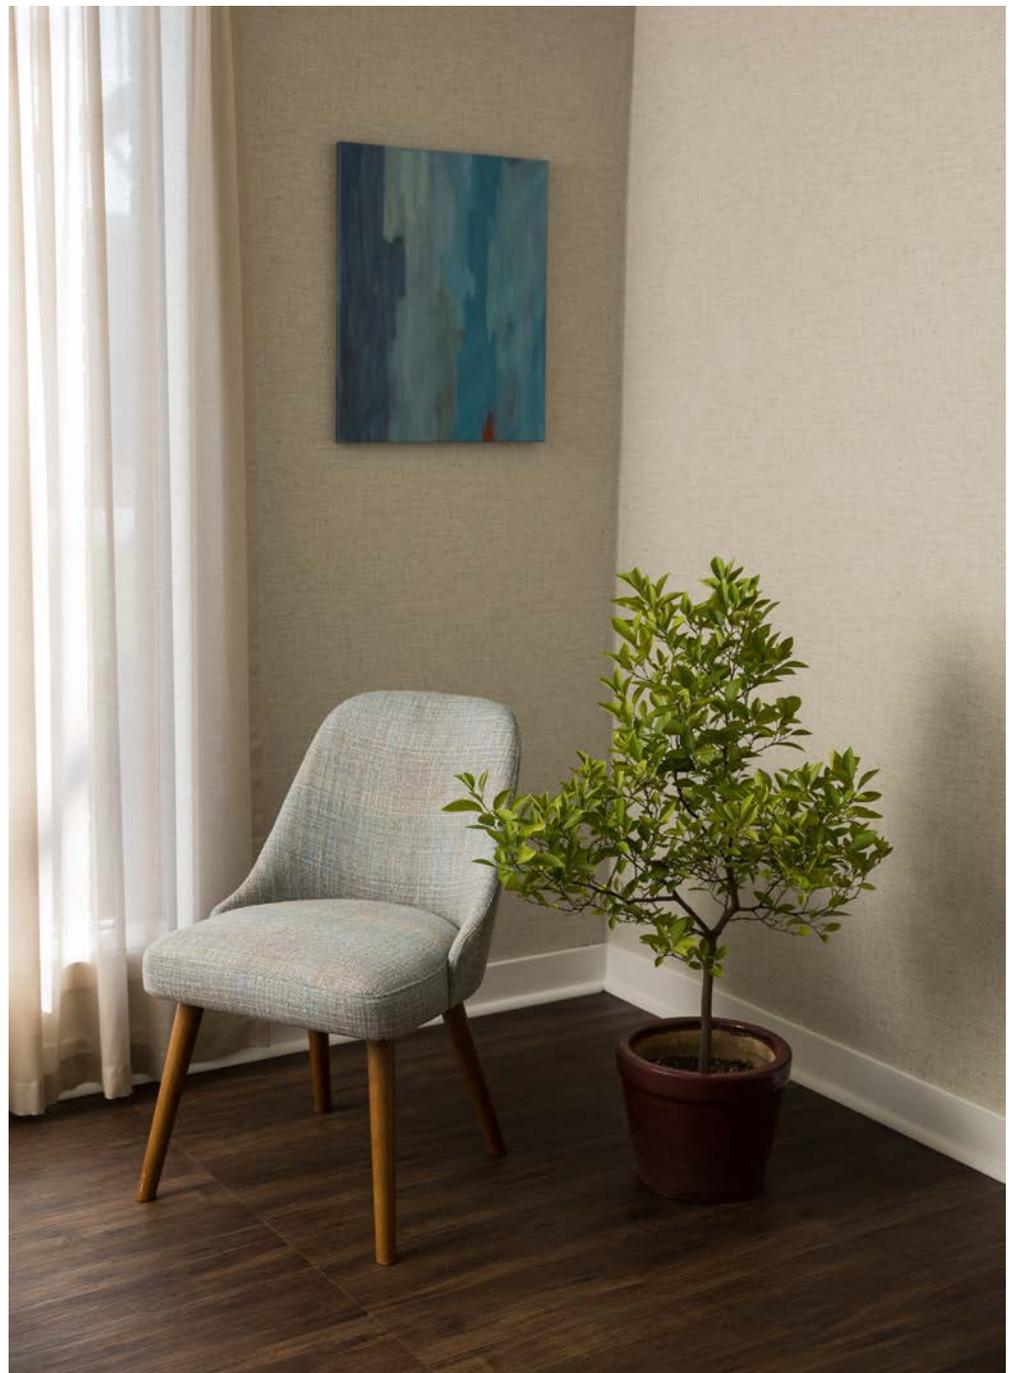

Chateau is a dazzling spectacle of visual texture. Inspired by its textile counterpart, Manderley, Chateau is a Phthalate-Free, Type II Vinyl with hints of glimmer throughout with the use of metallic ink. Created with a unique embossing technique, this 3-color pass wallcovering features qualities similar to that of a hand-woven textile. Thoughtfully curated with a versatile touch, Chateau's 12 colorways, including Zen Garden and African Wildcat, craft spaces with limitless possibilities. A welcomed addition to a handsome cigar room or a tranquil reading space, Chateau is a seamless and balanced counterpart to exquisite upholstery pieces.

Contents:

Face: 100% Non-Phthalate Vinyl; Overall 85% Vinyl, 13% Polyester, 2% Cotton

V100 CHATEAU ZEN GARDEN AND AFRICAN WILDCAT

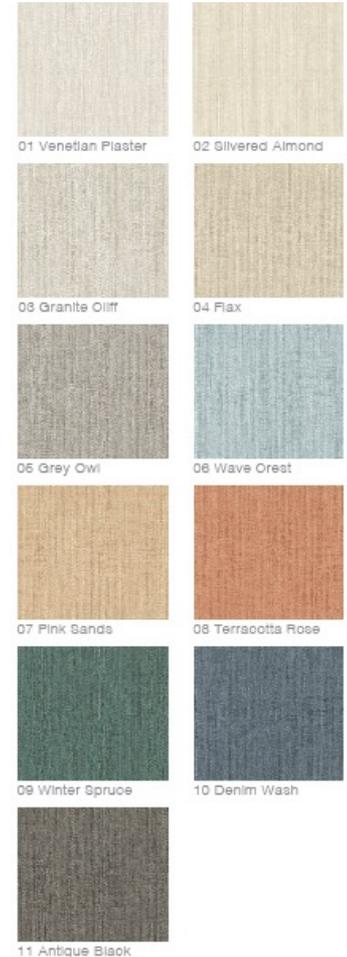

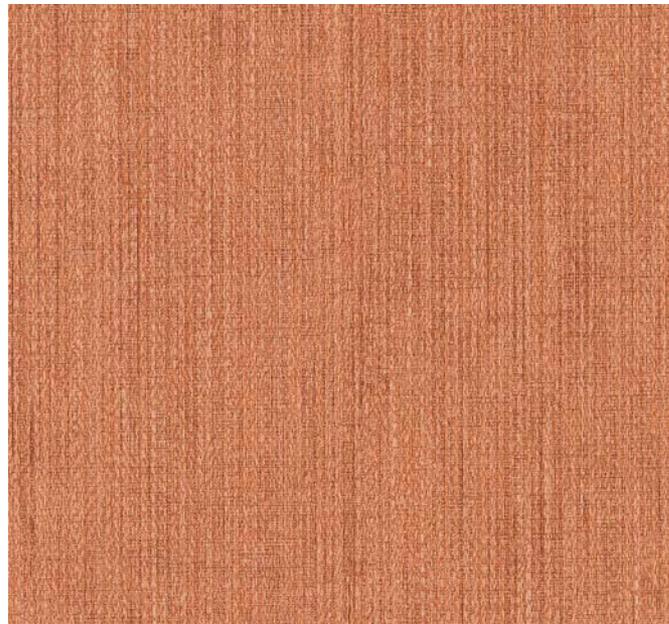

FERVOR

Fervor is a refined mix of rich texture and saturated hues. Imitating the viscose yarn from its textile counterpart, Effervescence, Fervor uses a vertical striae to create layers of depth and added interest at each glance. In 11 romantic and chic colorways, including Terracotta Rose and Antique Black, this 3-color pass wallcovering is a timeless classic for humble abodes, corporate venues, and Italian bistros alike. Fervor is a Phthalate-Free, Type II vinyl.

Contents:
