

BRENTANO™
FAVORITE THINGS
TEXTILES + WALLCOVERINGS

Like a song on repeat, the Brentano Design Studio's latest collection is a compilation of patterns and textures that bring to life their hearts' desire.

Commemorating the design team's revered colorwork and extensive artistic expertise, the Favorite Things collection is a celebration of color and design. A fun and challenging mash up of textiles, Favorite Things features useable anchor fabrics, painterly wonders, and nostalgic throwbacks.

Brentano's most sustainable collection yet, Favorite Things is the first to feature a PFAS-Free Stain Repellent. With eyes on the future, the Brentano Design Studio looks to create a more environmentally friendly world that will remain sustainable and safe for generations to come. While many of the new offerings showcase PFAS-Free Stain Repellent or recycled content, they still uphold Brentano's ethos of beauty and performance. "It is our mission to maintain a culture that seeks alternate constructions/ finishes and reaches for a higher quality product that uses sustainable manufacturing practices from our designers and mills," states Founder Iris Wang. "This collection is a grouping of fabrics that utilize recycled fibers, can be used for LEED points, and contain less chemicals than those before it. I'm proud to continue to push boundaries with our designs and I will continue to seek out products and practices that will enhance our daily lives in a healthy and sustainable way."

BRENTANO FAVORITE THINGS COLLECTION

PLEASE COMPLETE THE FORM BELOW FOR SAMPLING.

Thank you for your interest in Brentano. To order samples, please select the box below the colorway swatch on the pages that follow, if selected, the box will have a check mark. Once your selections are complete, forward the digital PDF file to your respective Sales Rep or the Brentano Samples Department for processing at samples@brentanofabrics.com. Samples will be shipped withing 2 business days, ground. Should need samples sooner, please indicate below.

1253 ARCHIE

INDOOR/OUTDOOR, BLEACH CLEANABLE, WHEELMARK

A striking indoor/outdoor selection, Archie is a refreshing and spirited statement upholstery. A multi-colored textile made from 100% Solution-Dyed FR Polypropylene, Archie is IMO Wheelmark certified, bacterial resistant and bleach cleanable. Archie, meaning genuine and brave, comes in 9 colorways including Sunburst, Teal Damselfly and Starlette Lily, showcasing a broad depth and density of colors. Using three binder wefts to enhance the saturation and intensity of the hues, the Brentano Design Studio sought to create a fabric that answered the call from designers for vibrant outdoor upholstery selections. Select from several color combinations to create symmetry with interior colors for throw pillows or go bold for intense contrast on a sofa centerpiece.

1350 ARDENT

Ardent, meaning steadfast and loyal, is a soft-spoken fabric with exquisite visual interest. Ardent uses its 6 captivating colorways, including Porcelain Taupe and Winter Wren, to design spaces with timeless and classic sophistication. With a soft, comforting Chenille hand and two-toned colorways, this 55" wide textile elevates its rich texture and creates contrast for residential and contract interiors. Relaxed but elegant, Ardent is a boucle upholstery fabric with an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck) and passes CAL 117, making it a smart selection for design interiors.

4373 BARRIER CLOTH

Barrier Cloth was developed to be used with Brentano's beautiful, plant-based fabrics that do not innately pass CAL 117 fire codes. Barrier Cloth is 61" wide and is made from 100% Polyester. Brentano's Barrier Cloth passes CAL 117, Section 2 (barrier materials test) without the use of any fire-retardant chemicals, making Barrier Cloth the ideal solution for complying with CAL 117. Barrier Cloth's thin construction which comes in 3 colors, White, Beige, and Grey was developed through consulting with upholsterers to ensure both ease of application and color coordination. A certified lab test certificate is available upon request. Barrier Cloth is discounted when bought in tandem with Brentano fabrics for the use of complying with CAL 117. Quantity discounts will also be offered for larger orders. Please consult with your sales or customer service manager for more information.

4375 BEALLARA

PERFORMANCE

Reminiscent of orchid leaves after which it is named, Beallara uses a sectional-dyed yarn to produce a deconstructed ombre silhouette. Using a variation of thick and thin lines with layers of organic shapes, this re-energized, enlarged pattern highlights delicate neutrals paired with subdued accent colors to create a fashionable strié pattern. Available in 8 versatile, understated colorways, including Desert Cardinal, Auburn Sunset, and Kentish Belle, Beallara is a calming and comfortable textile. With an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck) and a PFAS-Free Stain Repellent finish, this 57" width textile is well suited for upholstery applications in healthcare, hospitality, and residential settings. Working in harmony with smaller-scale sister fabric Laelia, or coordinating solids, Jordan and Petra, Beallara is a multi-faceted abstract beauty.

7305 CHORD

Strike a "Chord" with the interplay of colors that meld together throughout the two-toned coloration of this thick boucle. Chord is a soft, chunky, luxurious blend of Polyester, Acrylic, Cotton, Wool and Viscose that will become an instant favorite for added texture and casual comfort. Lush and inviting, this 55" width upholstery fabric comes in 4 neutral colorways, including Nokota Grey and Silverback, quickly discerning Chord as a staple fabric for soft touches and plush accents. A cozy addition to residential and contract design applications, Chord has an abrasion resistance of 70,000 Double Rubs (Wyzenbeek, Cotton Duck) and passes CAL 117.

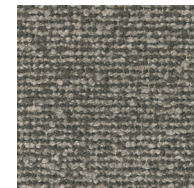

Contents: 32% Polyester, 29% Acrylic, 18% Cotton, 15% Wool, 6% Viscose

8583 CLEMENT

ECO-FRIENDLY, LEED POINTS POSSIBLE, OEKO-TEX

Continuing Brentano's focus on sustainable products and environmentally friendly processes, Clement, meaning mild or merciful, is a sumptuous textile made from 65% Post-Consumer Recycled Polyester. In 6 stylish neutrals, including Mascarpone and Farro, this soft chenille with added interest from its understated boucle brings a touch of contemporary charm to residential and contract settings. With a subtle texture and a visual shimmer that compliments its tactile nature, Clement is durable with an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck) and passing CAL 117. Clement is Oeko-Tex Standard 100 certified and is can be used for possible LEED points.

4512 EXPRESSION

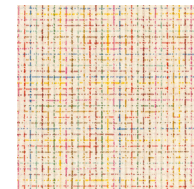

INDOOR/OUTDOOR, LEED POINTS POSSIBLE, BLEACH CLEANABLE

Expression is a colorful indoor/outdoor textile that creates refreshing and fun spaces for brainstorming collaborations or poolside celebrations. Built to last, Expression withstands the harshest elements with its bleach cleanability, bacterial resistance, and abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Wire Screen). In 5 lively colorways, including Beach Day and Scratch Art, Expression's bold, broken lines is a contemporary spin on traditional geometric grid styling. Captivating from afar, a closer view of this textile shows the richness, refined beauty, and detail of the scratchboard style markings seen throughout this 53" wide textile. Made with 27% High Energy-Dyed PC Recycled Polyester, Expression is available for possible LEED points.

4373 LAELIA

PERFORMANCE

Capturing the delicate and unique characteristics of orchid leaves, Laelia is an abstract textile pattern with varying shapes. Painted first as a watercolor in our Chicago Studio, Founder and Artistic Director Iris Wang pulled inspiration from her love of orchids to create this versatile design. Beginning from a very conceptual state, Iris developed the pattern layer by layer through trial and error. The original watercolor painting featured a realistic representation of the orchid, with the image becoming more deconstructed as time passed. The smaller scale of its sister fabric Beallara, Laelia comes in 8 original colorways, including Atlas Moth and Summer Nights. Laelia is an attractive fabric ideal for senior living and residential interiors with a resilient abrasion of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), and PFAS-Free Stain Repellent joining Brentano's esteemed list of performance textiles.

Contents: 100% Polyester

5824 PASTEL

INDOOR/OUTDOOR, ECO-FRIENDLY, OEKO-TEX, BLEACH CLEANABLE

Bring the contours and richness of colors from the evening sky into design spaces with the serene and stunning 54" width textile, Pastel. Designed first as a watercolor by Founder Iris Wang, this painterly fabric highlights the delicate beauty and interplay of shadows as the sun peaks through the clouds at dusk. Indoor/Outdoor Pastel is offered in an inspiring pallet of 8 colorways, including Paradise Island and Nantucket, and joins Brentano's Green label as a sustainable product made through environmentally friendly processes. This Sunbrella® Solution-Dyed Acrylic with a Polyester warp has an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), bleach cleanability, bacterial resistance, and a PFAS-Free Stain Repellent. Pastel is Oeko-Tex Standard 100 certified.

3164 PHOENIX

ECO-FRIENDLY, LEED POINTS POSSIBLE

A chenille with a soft hand and lightly marbled aesthetic, Phoenix is a sophisticated selection for residential, contract, and hospitality design spaces. Offered in 9 soothing, muted colorways, including Yellow Zinnia and Tundra Vole, the two-toned texture gives Phoenix a visual dimension that compliments its tactile nature. A tailored addition to Brentano's eco-friendly fabrics, this 54" upholstery is made with 56% Post-Industrial Recycled Polyester and is eligible for possible LEED points. At-the-ready for demanding projects, Phoenix scores an impressive 100,000 Double Rubs (Wyzenbeek, Cotton Duck) and has an optional addition of a Tri-sistant finish for stain-resistant needs.

Contents: 56% Post-Industrial Recycled Cotton, 26% Acrylic, 18% Polyester

4511 PLAYGROUND

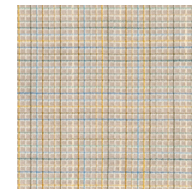

PERFORMANCE, ECO-FRIENDLY, LEED POINTS, BLEACH CLEANABLE

A fun and rectilinear design, Playground is a playful addition to Brentano's line of contract-level performance fabrics. This 53" wide, small-scale repeat is offered in various cool and warm colors, including neutrals, such as Greek Island, and San Francisco, to more primary-colored selections, like Arcade, and Carnival Games. Made from High-Energy Dyed Post-Consumer Recycled Polyester and constructed with a planted warp, Playground's bold colors recede to create textural dimension but visually pop. Playground is designed for durability with an abrasion resistance of 75,000 Double Rubs (Wyzenbeek, Cotton Duck), bleach cleanability, and an option to add Brentano's stain resistant finish, Tri-sistant. Playground is available for possible LEED points.

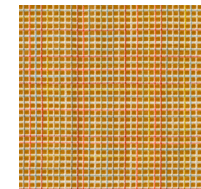

Contents: 68% High Energy-Dyed Polyester, 32% High Energy-Dyed Post-Consumer Recycled Polyester

V108 PROSECCO

WALLCOVERING, BLEACH CLEANABLE

Celebrate with Prosecco! This bubbly, refreshing, multi-colored wallcovering is a fanciful selection for design spaces. Inspired by the textile pattern Zigrino and mimicking the pebbly look of shagreen, Prosecco's pearlized ink gives this 54" width wallcovering an elegant, raised texture. With 8 favorable neutral interior colorways, including Champagne Toast and Butterfly Ray, Prosecco is rich and full of color with a pebbled emboss and shimmery surface. A bleach cleanable Type II, Phthalate-Free Vinyl with an Osnaburg backing, Prosecco is a modern addition to residential and hospitality designs; add a pop of color and varied textural upholstery for a beautiful contrasting space.

Contents: 100% Non-Phthalate Vinyl Face; Overall: 85% Vinyl, 13% Polyester, 2% Cotton

3614 REVERE

VEGAN LEATHER

The brilliant and beautiful Revere is a captivating embroidered vegan leather with a stitched design. Elongated triangles and diamonds please the eye with contrasting embroidery colors in 7 distinguished colorways. Ideal for decorative headboards, ottomans, chair backs, or as eye-catching accents in upscale interiors, the admirable Revere can be paired with its luxurious and supple counterpart Journal, which offers a coordinating solid. Resilient, Revere measures 54" wide with a base wear of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), and a polyester embroidery yarn that wears at 75,000 Double Rubs (Wyzenbeek, Cotton Duck).

6597 SHOWTIME

Add pizzazz to contract and hospitality spaces with the striking beauty and ever adaptable, Showtime. Multiple wefts converge to create versatile depths of texture and color in this 55" wide, rich textile. Made from Polyester, Rayon, Cotton, and Post-Consumer Recycled Polyester, Showtime is an impressive pairing of Chenille, slub yarns and novelty yarns. With an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), an acrylic backing, and the option to add Brentano's stain resistant finish, Tri-sistant, Showtime is long-lasting and resilient. In 9 contrasting colorways from light neutrals, like Shell Beach and Sandy Shores, to the vibrant and bold Times Square and Tinago Falls, Showtime can serve as a textural centerpiece or pop of color in accent pillows.

5831 VITREUM

INDOOR/OUTDOOR, ECO-FRIENDLY, OEKO-TEK, BLEACH CLEANABLE

Inspired by mosaic tiles, indoor/outdoor Vitreum, Latin for stained glass, is an awe-invoking geometric wonder. This 54" width, Sunbrella® Solution-Dyed Acrylic, and Polyester fabric is an energetic and vivid centerpiece to the Favorite Things Collection. The Brentano Design Studio's love for symmetrical pattern design shines with detailed linework and artistic precision. Vitreum showcases the Design Studio's brilliant color expertise in 6 fresh, jewel-toned colorways inspired by artist Karl Benjamin, including Santorini and Toscano Glass. A reimagined and updated graphic of past textile selections, Pinnacle and Majalis, this durable textile features an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), bleach cleanability, bacterial resistance, and a PFAS-Free Stain Repellent finish.
