ARCHIE

A striking indoor/outdoor selection, Archie is a refreshing and spirited statement upholstery.

A multi-colored textile made from 100% Solution-Dyed FR Polypropylene, Archie is IMO

Wheelmark certified, bacterial resistant and bleach cleanable. Archie, meaning genuine and brave, comes in 9 colorways including Sunburst, Teal Damsel and Starlette Lily, showcasing a broad depth and density of colors.

Using three binder wefts to enhance the saturation and intensity of the hues, the Brentano Design Studio sought to create a fabric that answered the call from designers for vibrant outdoor upholstery selections. Select from several color combinations to create symmetry with interior colors for throw pillows or go bold for intense contrast on a sofa centerpiece.

BARRIER CLOTH

Barrier Cloth was developed to be used with Brentano's beautiful, plant-based fabrics that do not innately pass CAL 117 fire codes. Barrier Cloth is 61" wide and is made from 100% Polyester. Brentano's Barrier Cloth passes CAL 117, Section 2 (barrier materials test) without the use of any fire-retardant chemicals, making Barrier Cloth the ideal solution for complying with CAL 117. Barrier Cloth's thin construction which comes in 3 colors, White, Beige, and Grey was developed through consulting with upholsterers to ensure both ease of application and color coordination. A certified lab test certificate is available upon request. Barrier Cloth is discounted when bought in tandem with Brentano fabrics for the use of complying with CAL 117. Quantity discounts will also be offered for larger orders. Please consult with your sales or customer service manager for more information.

BEALLARA

Reminiscent of orchid leaves after which it is named, Beallara uses a sectional-dyed yarn to produce a deconstructed ombre silhouette. Using a variation of thick and thin lines with layers of organic shapes, this re-energized, enlarged pattern highlights delicate neutrals paired with subdued accent colors to create a fashionable strié pattern. Available in 8 versatile, understated colorways, including Desert Cardinal, Auburn Sunset, and Kentish Belle, Beallara is a calming and comfortable textile. With an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck) and a PFAS-Free Stain Repellent finish, this 57" width textile is well suited for upholstery applications in healthcare, hospitality, and residential settings. Working in harmony with smaller-scale sister fabric Laelia, or coordinating solids, Jordan and Petra, Beallara is a multi-faceted abstract beauty.

LAELIA

Capturing the delicate and unique characteristics of orchid leaves, Laelia is an abstract textile pattern with varying shapes. Painted first as a watercolor in our Chicago Studio, Founder and Artistic Director Iris Wang pulled inspiration from her love of orchids to create this versatile design.

Beginning from a very conceptual state, Iris developed the pattern layer by layer through trial and error. The original watercolor painting featured a realistic representation of the orchid, with the image becoming more deconstructed as time passed.

The smaller scale of its sister fabric Beallara, Laelia comes in 8 original colorways, including Atlas Moth and Summer Nights. Laelia is an attractive fabric ideal for senior living and residential interiors with a resilient abrasion of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), and PFAS-Free Stain Repellent joining Brentano's esteemed list of performance textiles.
