

BRENTANO™ STORYTELLER COLLECTION

CELEBRATING THE ART OF NARRATION THROUGH DESIGN

STORYTELLER

Featuring nine new textiles and one wallcovering, the Storyteller collection offers a retro escape infused with groovy nostalgia and contemporary sophistication. This immersive assortment brings vintage inspiration to life through richly expressive, tactile designs set against playful, throwback influences. Designers can expect curated colorways, dynamic textures, and statement-making patterns, creating a transporive experience that celebrates storytelling through design.

EMBROIDERY

Fable is an intricately embroidered tapestry upholstery fabric where whimsical animals and lush flora intertwine, blending storybook artistry, rich texture, and durable performance.

GREEN STORY

Blurb, First Edition, and Nature Walk highlight Brentano's commitment to sustainability through thoughtfully engineered constructions, combining eco-conscious materials and high-performance durability

WALLCOVERING

Agnes is the sole wallcovering in the collection, pairing a serene, cloud-like grid inspired by artist Agnes Martin with Brentano's first Cicon® quality Type II vinyl construction.

FABLE

If a picture tells a thousand words, Fable tells a story you can live in. Designed by the Brentano Design Studio, this upholstery fabric is a woven tapestry where animals and flora intertwine in a quiet, imaginative world. Available in five colorways, Fable shifts easily from accent to focal point. Tropical Garden brings a vibrant energy, while Batu Caves offers a more grounded, dramatic tone, equally effective on pillows or a headboard. Woven from a durable blend of polyester, viscose, and linen, Fable balances visual richness with performance.

Contents:

71% Polyester, 23% Viscose, 6% Linen

GAZETTE

An indoor/outdoor textile with flair, Gazette is a dynamic chevron that brings warmth and character to any space. Named after the classic newspaper, the design echoes the rhythm of printed lines and columns, reimagined through a modern, textural lens. Its 9 two-toned colorways, including Bronze Age and Golden Jackal, offer a relaxed yet refined sense of sophistication.

Woven with slub yarns, Gazette plays with varying line thicknesses to create a rich, thick-to-thin design that feels both bold and tactile. Built for performance as much as style, this chunky weave delivers 100,000 Double Rubs (Wyzenbeek, Wire Screen), along with bleach cleanability, bacterial resistance, and the option for a Non-PFAS Stain Treatment.

Contents:

73% Solution-Dyed Acrylic, 24% Solution-Dyed Polypropylene, 3% Polyester

MANUSCRIPT

Crafted with a wrapped yarn, Manuscript reveals nuanced dimension and movement, forming a playful pattern that hints at Roman numerals at first glance. Designed for both indoor and outdoor use, Manuscript pairs rich texture with high performance. It offers 100,000 Double Rubs (Wyzenbeek, Wire Screen), along with bleach cleanability, bacterial resistance, and the option to add a Non-PFAS Stain Treatment. Available in 6 versatile colorways, including Rutile Quartz and Irish Coast, Manuscript brings the warmth and comfort of interior textiles to outdoor settings, with grounded, earthy tones rarely seen in performance outdoor upholstery.

Contents:

71% Solution-Dyed Acrylic,
29% Solution-Dyed Polyester

STORYTELLER

SONNET

Heathered and soft, Sonnet offers a linen-like look crafted from a blend of viscose, wool, and polyester, resulting in a delightfully textured solid. With eight enchanting colorways, this 55" width textile reveals a rich depth of color, with subtle variations that add quiet dimension throughout.

Poetic in nature, Sonnet brings understated elegance to design spaces. Despite its softness, it is highly durable, offering 100,000 Double Rubs (Wyzenbeek, Cotton Duck), along with the option to add a Non-PFAS Stain Treatment.

Contents:

33% Linen, 20% Wool, 18% Polyester,
14% Viscose, 10% Cotton, 5% Acrylic

NATURE WALK

Fresh and inviting, Nature Walk features a botanical design enriched by four tonal variations that create subtle depth and movement across the surface. Originally hand-painted in the Brentano Design Studio by Founder Iris Wang, the pattern draws inspiration from everyday moments in nature, centered around the delicate form of Queen Anne's lace. Lyrical and organic, Nature Walk offers layered visual interest while maintaining a soft, approachable presence. Crafted from Sunbrella® fibers, it pairs beauty with durability, offering 50,000 Double Rubs (Wyzenbeek, Cotton Duck), bleach cleanability, bacterial resistance, and a Non-PFAS Stain Treatment.

Contents:

63% Sunbrella Solution-Dyed Acrylic,
37% Sunbrella Solution-Dyed Polyester

PERFORMANCE

FIRST EDITION

A classic design with substance, this sophisticated overall solid offers a sense of retro nostalgia in 8 reserved colorways, including Dried Tangerine and Balsam Fir. Understated yet impactful, First Edition does the heavy lifting for design spaces with an acrylic backing, bleach cleanability, an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), and the option to add a Non-PFAS Stain Treatment. Affectionately named, it nods to the quiet value of a first-edition book, timeless, considered, and meant to be revisited. While it may not appear rare at first glance, it has quickly impressed our design team with its versatility and lasting impact, performing beautifully as both a statement and an accent piece with a refined sense of depth and polish.

Contents:

90% Post-Consumer Recycled Polyester,
10% Polyester

BLURB

A contract fabric with geometric flair, Blurb is named for its honeycomb-inspired structure, designed to attract attention much like words on a page. A glitch-like pattern creates an abstract surface, where thin lines and layered color, produced by a 6-color tapestry warp, add visual depth. Often likened to bubble wrap, this pattern is bleach cleanable, features an acrylic backing, and offers abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), with the option to add a Non-PFAS Stain Treatment. Available in 7 tailored colorways, including Cream Brick and Firework Obsidian, Blurb works well for statement ottomans or as an accent on benches and task seating.

Contents:

51% Post-Consumer Recycled Polyester,
49% Polyester

NOOK

A texture you can see before you feel, Nook is the versatile textile we have been dreaming of! Offered in 8 indoor/outdoor colorways, Nook delivers a retro-inspired charm, whether bringing bold personality with Botanic Garden or a softer statement with Baby Seagull. Crafted from novelty slub and bouclé yarns, this chunky texture blends style and performance effortlessly. With 100,000 Double Rubs (Wyzenbeek, Wire Screen), bleach cleanability, bacterial resistance, and an optional Non-PFAS Stain Treatment application if needed, Nook truly does it all.

Contents:

86% Solution-Dyed Polypropylene,
14% Solution-Dyed Acrylic

PERFORMANCE

SAGA

Whether it evokes graffiti, animal tracks, or something purely abstract, interpretation is always welcome. Meet Saga, the Brentano Design Studio's adventure story. Layered with depth, this distinctive pattern invites multiple viewpoints, allowing designers to craft their own narrative within a space. While visually dynamic, Saga remains easy on the eye, offering a smooth, non-demanding transition across its large-scale repeat. Designed for both beauty and performance, Saga features bleach and acetone cleanability, 100,000 Double Rubs (Wyzenbeek, Cotton Duck), and the option to add a Non-PFAS Stain Treatment.

Contents:

80% Acrylic, 20% Polyester

STORYTELLER

AGNES

Sometimes a story is told via the emotion of texture, rather than words, and that is the case for Brentano's new wallcovering pattern Agnes. Inspired by artist Agnes Martin, often referred to as the "Mystic Minimalist", this meditative pattern is composed of a subtle, cloud-like grid. Available in 9 refreshing colorways, from Everest Peak to

Mount Blue and Shade Plant, this bleach cleanable option is intended to create spaces for peaceful reflection. Brentano's first venture into Circon® quality wallcovering, this bio-sourced, carbon-neutral, and fully recyclable Type II vinyl is not only full of nuanced elegance but also has a palpable green story. With a horizontal repeat of 51", this refined organic texture is ready to be installed (random match, reverse hang) to best welcome anyone into a deep breath, embracing the serenity of the moment.

Contents:

100% Circon® Vinyl Face;
Overall: 85% Circon® Vinyl, 15% Natural Fiber
